# A Poet's Love

Join Zaccho Dance Theatre for the world premiere of *A Poet's Love*, a new work by choreographer Joanna Haigood and Brooklyn-based tenor/actor José Joaquín García.

*A Poet's Love* is a new creation based on the *Dichterliebe* song cycle by classical German composer Robert Schumann. *A Poet's Love* takes the form of sixteen discrete vignettes, each one responsive to and deeply immersed in the musical and poetic context of a song in *Dichterliebe*.

The work, combining song, aerial dance and theatre, will be performed at Zaccho Studio in San Francisco and will feature members of Zaccho Dance Theatre's performance ensemble as well as José Joaquín García, who will perform the songs accompanied by well-known Bay Area pianist Frederick Harris. The performers will inhabit our 5,000 sq. ft. space in various levels of aerial suspension and flight, creating an intensive theatrical environment.

This performance is made possible through the generous support of the National Endowment for the Arts, the San Francisco Foundation, the Zellerbach Family Foundation and the W A Gerbode Foundation.
